Held in Bendigo on August 16-17, Hard Yards: Children Who Challenge is a one-day conference, repeated over two days, to help teachers, health and community workers, advocates and families learn new skills to support children living with challenges, such as a learning impairment, trauma, homelessness or bullying, achieve their full potential. To help us capture what it's like for young people facing obstacles, we're inviting children and teens from across Victoria to design an original artwork that can be used in the poster and promotional material for the conference. Winners in each category will receive a \$500 prize.
